## ABOUT ORGANISER

Indian Exhibitions, Conferences & Events Services Association (IESA) is the apex organization working towards the development of the sector. IESA serves as a conduit between the sector and wider industry stakeholders including but not limited to Government, Exhibition Organizers, International Trade Commissions, ITPO etc. In its endeavor to play a catalyst in making India a preferred global location for business & MICE events IESA is striving towards defining, implementing and monitoring standards, codes and processes that will enable India come up on the global events map, needless to say with the integral role that such events play in every economy IESA activities will link up to the economic growth value chain very soon.

As a key step towards this direction IESA has identified education, training and skill development in the sector as a priority area. India Expo Shop is the first platform of its kind that will bring exhibition, events and retail design organizations to showcase their capabilities and capacities.

## ABOUT MARKETED AND MANAGED BY

GPE Expo Pvt. Ltd.(GPE) since 1997, Gpe has come to specialize in providing Event Planning and Consultation Services for Corporations, Associations and Individual Organizations of Pharmaceutical and Healthcare Sectors and many more other verticals.
