

# India Expo Shop 2018 beckons

Indian Exhibitions, Conferences & Events Services Association (IESA) shares the advantages of exhibiting in and visiting the show's third edition

The third edition of India Expo Shop (IES) is heading to Mumbai, India this year after the massive success of previous two exhibitions in 2016 and 2017 (Greater Noida, Uttar Pradesh, India) with 20,000 trade visitors and 200 exhibitors.

IES expo offers a unique platform for global exhibitions and event contractors, event managements, suppliers, service providers who find new business partners in the exhibition trade and promote their brand to exhibition & event organizing companies, interior designers and decorators, retail designers and many more.

India Expo Shop 2018 will be held from May 15 – 18, 2018 at Bombay Exhibition Centre, Mumbai, India.

IES is a concurrent show of Global Exhibition on Service (GES-2018) and we have once again the support of Department of Commerce, Ministry of

Commerce & Industry, Government of India, Service Export Promotion Council (SEPC) and Confederation of Indian Industry (CII).

We are very thankful for the generous support of EEMA, IEIA, ESSA (UK), ICPB, Exhibition Showcase, EVNA and others who have always supported the efforts for the expansion of Exhibition Industry.

Indian Exhibitions, Conferences & Events Services Association (IESA) is an apex organization working towards the growth of exhibitions, conferences & events sector service providers.

Formed in 2014, the IESA works to ensure exhibition industry growth in many ways by inspiring, promoting and creating business opportunities in a highly professional approach for its members and industry.

Within a short span of time, 150 + members have already joined IESA from 22 different cities of India, which

is a great sign of togetherness and comradere.

The association endeavors to create a common platform for all exhibition contractors, stall builders, exhibition event fabric manufactures and all trade service providers either big or small.

IESA is continuously striving towards defining, implementing and setting up monitoring standards, codes and processes that will enable India to come up on the global events map.

The event is marketed and managed by GPE Expo Pvt. Ltd, Ahmedabad, a Gujarat based company since 1997 and has come to specialize in providing event planning and consultation services for corporations, associations and individual organizations of not only pharmaceutical and health care sectors but also many more other vertical events.

Their strength is in providing logistical details and organizing and executing large exhibitions, conferences and events involving multiple players, while integrating diverse elements.

We welcome participation from, Exhibition Stand Construction System

---

Expo visitors will get to experience various activities where they can participate in an interactive learning and networking environment. New product presentations, technical conference/ seminar and interactive panel discussion will be a star attraction

---
